

# Citizens Bank Supports Customers During Federal Government Shutdown

Our thoughts are with the government employees who are coping with the reality of their first missed paycheck due to the government shutdown.

Citizens Bank is here for you during this difficult time and understand that during times like these it can be challenging to meet your financial obligations.

We are here to assist you and encourage you to contact your local banking center officer to discuss the options available for you.

Our banking center locations and phone numbers can be found on the home page of the Citizens Bank website under the tab Connect With Us.
